Intent to Repeal Rules

Chapter 27 - Program of All-Inclusive Care for the Elderly (PACE)

Statement of Reasons

The Wyoming Department of Health proposes to repeal this chapter pursuant to the Medical Assistance and Services Act at W.S. § 42-4-121 and the Wyoming Administrative Procedure Act at W.S. § 16-3-102.

On August 26, 2020, the Wyoming Department of Health announced difficult budget reductions approved by the Governor's Office in response to historic declining state revenues. As part of these reductions, the Department of Health eliminated the optional services Program of All-Inclusive Care for the Elderly (PACE), effective March 1, 2021. Participants of the PACE program have transitioned to other service options; therefore, the Chapter that establishes rules for PACE must be repealed in order to fully end the program.
